

EERMC Councilor Learning, Education & Advancement Discussion 2022 Session #2 Agenda

Monday, November 28, 2022 | 1:00 – 4:00 PM

President's Dining Room, Donovan Dining Center
Rhode Island College, 600 Mt. Pleasant Ave, Providence, RI 02908

OVERVIEW

Councilor Learning, Education and Advancement Discussion (LEAD) sessions allow members to gather outside of the formal monthly meetings for deeper learning and open discussions. Topics are driven by current priorities and often include a mix of Council responsibilities, timely efficiency planning considerations, and deeper dives into evolving efficiency issues and innovations. All members are expected to attend, and meetings are open to the public. In February 2022, the Consultant Team surveyed Councilors to collect input on how to design this year's LEAD sessions to be most productive and beneficial.

Council members should review the agenda, objectives, and all other materials provided in advance, and be prepared to discuss. This is intended to be a highly participatory session.
